

Finally—a web-based,
touch navigation retail
furniture software that's
comprehensive and **easy to use.**

PointCentric™

by Myriad Software

- Flexibility to be where your customers are, and do business on your terms
- Intuitive technology, making it easy to implement and use
- Customization, to create the right solutions for your retail needs

After 25 years in business, Myriad continues to provide innovative software solutions for the retail furniture industry. Designed to meet the needs of high end, custom furniture retailers, PointCentric, Myriad's comprehensive cloud-based, touch navigation software is both intuitive and mobile.

- > **Easy to use**, image friendly user experience with touch screen navigation
- > **Web-based platform** for tablets, laptops and smartphones—no app required
- > **Custom features** to suit your retail needs and serve your bottom line
